SUMMARY

As a passionate and motivated student with good knowledge of Front-End development, I am eager to kickstart my career in the tech industry. My coursework and personal projects have equipped me with proficiency in Front-End technologies.

EDUCATION

BSc CSIT

Trinity International College / Kathmandu / October, 2019 - November, 2024

Intermediate in Science Faculty

Kathmandu BernHardt College / Kathmandu

School Leaving Certificate

Shree Janchetana Community Secondary School / Kapilvastu

PROJECTS INVOLVED

Middleways Films (Business Website)

- Created a responsive corporate website to showcase the film production company's portfolio featuring seamless routing between pages.
- Technologies Used : Next.js, Tailwind CSS
- Live Demo : <https://middleways-films-5y7g.vercel.app/>

Restaurant Website

- Developed a responsive restaurant website that displays a diverse menu with an intuitive add-to-cart system for ordering the food.
- Technologies Used: React.js, Tailwind CSS, Redux Toolkit
- Live Demo : <https://restaurant-website-black-seven.vercel.app/>

Youtube Clone

- Created a responsive YouTube clone to replicate key features of the platform, including video streaming, search functionality, and user interaction. The project also includes dynamic routing for each video page.
- Technologies Used : React.js, Tailwind CSS, Redux Toolkit, Youtube API
- Live Demo : <https://youtubeclone-theta-vert.vercel.app/>
